

## Fourth Grade News

January 11, 2017

### ACADEMICS

#### Reading

We will...

- read and discuss informational texts,
- review text features and text structures,
- respond to questions about the text, and
- learn new vocabulary words.

#### Writing

We will continue our research unit:

- Students will continue to write the body of their research report,
- Students will write a conclusion, and
- Students will use appropriate spelling, capitalization, and punctuation.

#### Math

We will continue our new unit: geometry

- Students will take a quiz for lines, types of angles, and polygons,
- Students will learn about the relationship between circles and angles, and
- Students will begin to use a protractor to measure and draw angles.

#### Social Studies

- We will learn more about North Carolina's history with the Lost Colony.

**Washington Elementary**

Dear Room 312 Families,

In the Monday folder look for:

- class work completed before our winter break
- student assignment cards
- year book order forms

#### THE WEEK AHEAD

Since we have a short week, we will extend our objectives from this week to next week.

We will finish mclass assessments. The reports will be sent home with upcoming report cards.

Second quarter electives will end Wednesday, January 11.

## IMPORTANT DATES

**January 9-10-** winter weather, no school

**January 11-** students back at school

**January 16-** holiday, no school
